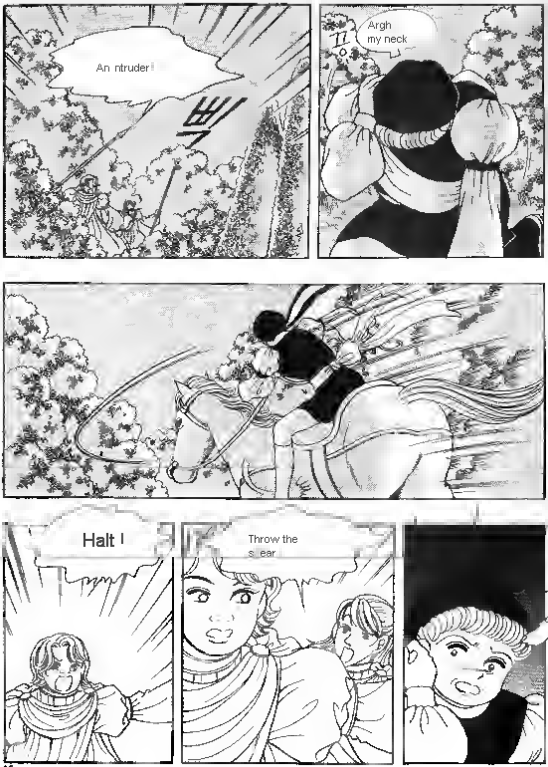
Wherever you go that w ll be my place to be
마차 !
I am not joking here Th s s really a ser ous matter

I am not joking either
I believe that I've lived long enough
I am going with you because I am going to be a shield for you
You were raised precously And now you are literally being thrown away from your house
How will you live without a maid doing chores for you ?
I will of course miss you too
Listen Dayna
But I can't take you with me

cough
I am not going to let you go even if I am dead. So, let's go.
I heard something over there
M'lady,

Sorry Dayna
Someone s over there
Who are you ?



An ntruder!
Argh my neck

Ooh...

What's going on?
Hey where
Where is everyone ?
Dayna, please don't die. Please don't ...
Miss Barder, we need to go.
Guards are coming.
Dayna ...

You idiots !
Spread men and locate Eshild !

Send men with fast feet !

Now !
Do NOT let her enter the royal castle !

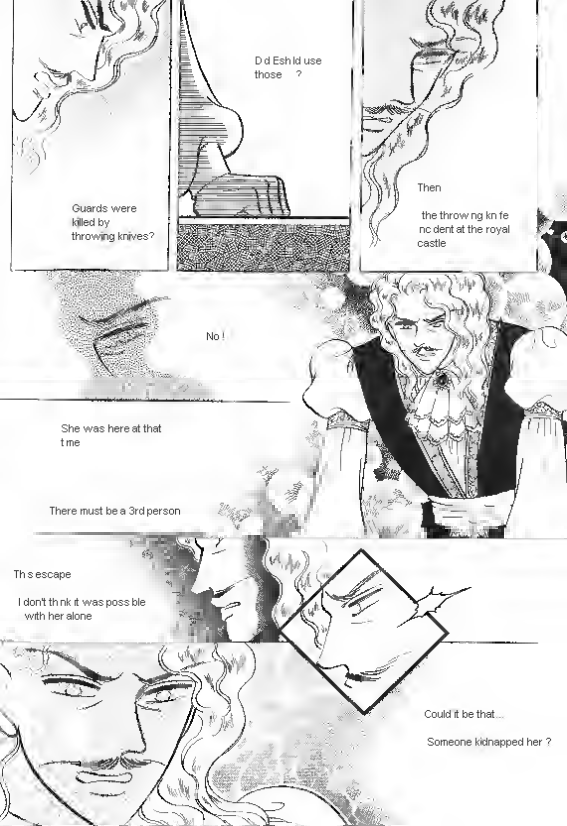
www.janimes.com



Guards were killed by throwing knives?
D d Esh ld use those ?
Then
the throw ng kn fe nc dent at the royal castle
No !
She was here at that t me
There must be a 3rd person
Th s escape
I don't th nk it was poss ble with her alone
Could it be that...
Someone kidnapped her ?

Someone must take advantage of me by kidnapping my daughter.
If someone managed to break into here especially when this place was fortified
He must have known the layout of this place
Vadda..was it you ?
How dare you
I will grind your bones and drink it

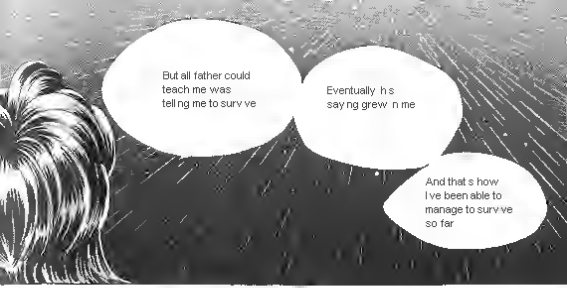
The horse isn't running fast enough with two people
I am going to get off.
Let s take a break
It doesn't seem like ran s going to stop anytime soon

It isn't going to be easy to enter the royal castle
...Are you alright?
...I am fine...

We should go on
It seems father
sent out men to
find me
This matter is too
big for you to
handle alone
Don't push yourself
too hard
If the war can be
stopped
I just don't want
anyone to get hurt.
If father can drop
his plan to revolt
because of me
It will be more
than fine for me...

What f your father doesn't stop h s plan?
He s los ng a daughter who's better than a son
Your educat on and swordsmansh p both exceed any average men s
Father doesn't know that I mastered swordsmansh p
He doesn't? D dn't you learn it from your famly s trainer?
No
Then from who?
Your skill wasn't built in a short period.

From the chef guard
ever since we were young...
...I see.
Is that something I can't ask you either ?
Who did you learn your skills from? How did you reach such a level ?
...Father was a warrior.



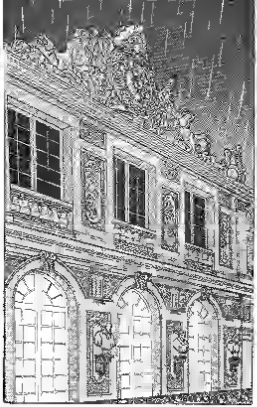
But all father could teach me was tell ng me to surv ve
Eventually h s say ng grew n me
And that s how I ve been able to manage to surv ve so far

So you learned everyth ng by yourself That s some talent you have

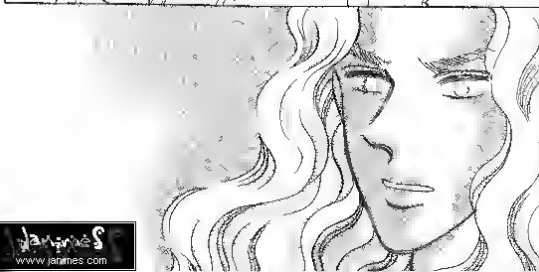
It wasn't totally done by myself
I observed one of the best tra ners teach ng someone and pract ced alone

I guess who the tra ner taught has become worse than you

Not really
Let s go



There has been a report from our man who was watch ng the Barder
He sa d that lady Barder has gone m ss ng It seems she was k dnapped



www.janines.com

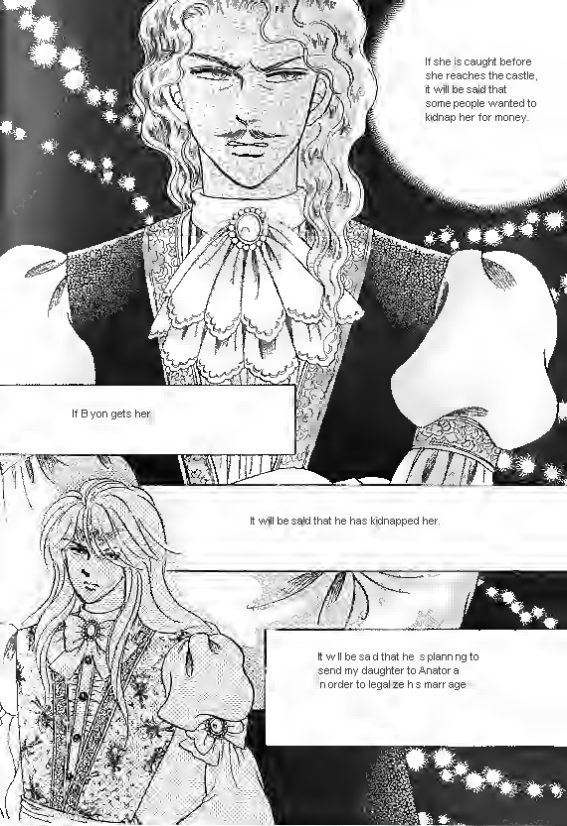
Kidnapped ?
By whom ?
Who
And why ?
When ?!
Not long ago tonight.
He reported as soon as it happened.
Are you absolutely certain that she was kidnapped ?
At first, they sent men to block every route to the royal castle.

The royal castle ?
And then they released more men cons der ng it could have been more than one who k dnapped her
What s go ng on?
Who would dare to k dnap Esh ld ?
Could it be that th s s the pr me m n ster s act to make an excuse?
Esh ld what s go ng on?

Father ?
He went to bed.
The king must be asleep by now ...
Order men to tighten security in the castle.
And I want you to pick few men to come with me I am going to check outside quickly.
Yes, chief !

What's going on ?
Eshild disappeared and Dayna is dead?
She d d not d sappear She was k dnapped
Kidnapped? Who would dare to do that?
We will soon findout !

I am going to go to the castle and prepare to leave.
This seems to be the only way to stop you.
If I become king Tor s m stress
and you don't make your move Ram ra w ll be safe
Whehter she managed to escape alone or with someone it doesn't matter



If she is caught before she reaches the castle, it will be said that some people wanted to kidnap her for money.
If B yon gets her
It will be said that he has kidnapped her.
It w ll be sa d that he s plann ng to send my daughter to Anator a n order to legalize h s marr age

Eshild—
You are safe, aren't you ?
You weren't really kidnapped, were you?
I was told that the prime minister semt men to block roads to the castle. But I've seen none.
It must be his act.
Right, Eshild ?

Who's there ?
Eshld ?
It s me
Se l
Are you supposed to meet m ss Barder here ch ef guard?

No ...
Then I fa l to see why you called out her name
Actually I rece ved a report that she could have been k dnapped and she could be com ng here
That's fast.
Well, you are the chief guard of Ramira I suppose you should be at least good at that
You knew as well ?
I was with her unt l we departed n order for me to d vert the pr me m n ster s men
I thought she d be here by now

Why would she be with you at th s hour and why would you two be com ng here ?

It seems you don't know.
It is best to hear this from her.

Miss Sharu ?
I am sorry for making you surprised.

I don't think going back there alone isn't a good idea

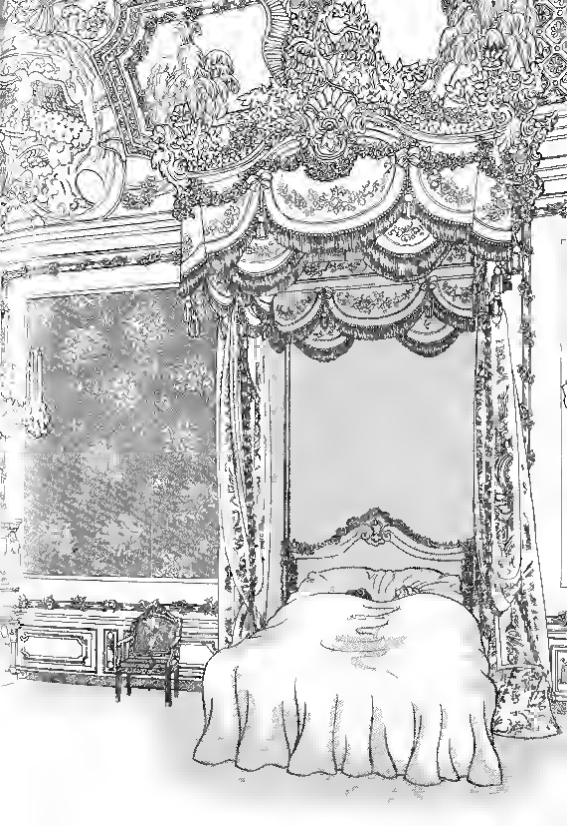
I fear that I may not see him ever again once I leave ...

I was afraid that I will not be able to see him at all. So ...

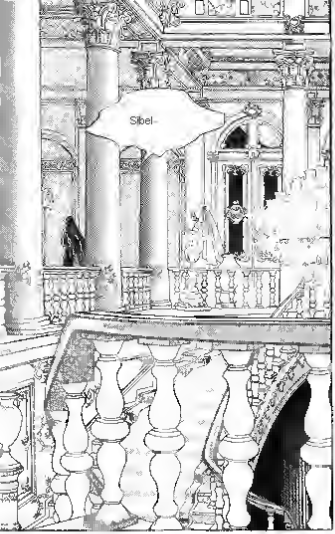


Auntie ~
S'bel
Aunt e I sneaked
out to see you

What s it ?
Jena !
Mlord
Take Sibel out of here right now !

What?
Sibel entered his aunt's room while she was in bed with the majesty ?
it created havoc in the castle m lady
Many are afraid that the majesty may vent his anger on lord Sibel's servants and lady Lala's servants
Mass execution may happen
Where's Sibel now ?
Well, that's He disappeared
Lady Lala's searching for him right now

프린세스 Princess



Sibel...

Sibel

Sibel, where are you

It s so cold out here

It s st ll dawn

He came because he m ssed h s aunt

He must have really m ssed h s aunt He wouldn't have chosen to sneak out n dawn otherw se

What should I do -
I've given a child such a shock
I was wrong
I was wrong
Your aunt was wrong
Your aunt was just embarrassed to show you the situat on
And I was afra d that you may anger the king

I was just .

And
please come back sm l ng

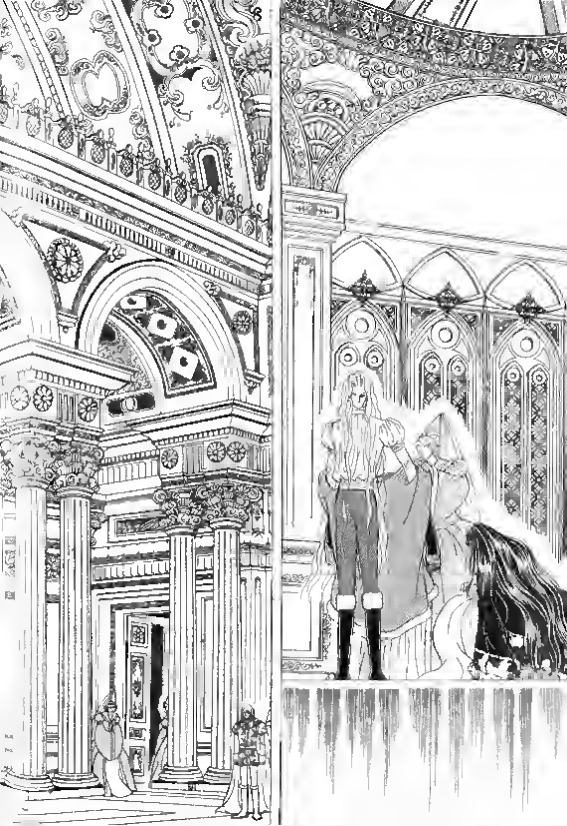
Please

M'lady ~
M'lady, where are you ?
Did you find Sibel ?
M'lady !
Please spare Jena
What are you talking about ?
While you were looking for the lord everyone was arrested !
Those who were guarding your quarter and your servants everyone was arrested
The king has ordered to execute them all
www.jaimes.com



It was just a kid ?
He missed his aunt.
So, he decided to
sneak into the room?
It was really nothing
It was not nothing !

Be glad that it was Sibel !
What if it was an assassin ?
You and I -
Do you think we'd be talking about this if it was an assassin ?

You expect me to let go of guards and servants who weren't aware of who entered where the king was resting?
They were supposed to be awake and on alert all the time while the king was resting. I am supposed to forgive them when they failed to do their task?
B
But
Your majesty
No one got hurt
The only one who was hurt was Sibel
If you execute them it will only hurt Sibel more

If he finds out that his act on caused many innocent people s life
Innocent people's life ?
No crime would be worse than what they did !
Even so
For Sibel
He will learn his responsibilities
He should learn that many people s life will be depended on his actions

Furthmore from how you made it sound
Th s w ll be an example
I w ll not forg ve anyone who br ngs up th s matter!

It s not go ng to work
If Lala s begg ng d dn't work noth ng else w ll

You should not use her arm for a little while and her legs were impacted quite badly She may have a hard time using her legs for a while As a side effect she may experience dizziness and vomiting
What does she do that she hurts so much so often ?
